The Broadway Café Bar is the perfect escape from downtown Nottingham. Its relaxing atmosphere and friendly staff give the Broadway a vibe unlike any other venue in the city, not to mention the excellent range of beers and independent films showing.

If you are a film lover, Broadway is the place for you, offering in its four screens the best cinema from Hollywood and the rest of the world.

Great for most occasions, even if you are not a film buff but enjoy reading a book and a coffee (or a beer) in a relaxing environment.

The food is as good as the atmosphere and most ingredients are sourced from local suppliers.

The Broadway bites offer allows you to enjoy a film and a meal at a great all-in price. The menus are varied and two or three nights a month are even themed around the film, so if you go along to a showing of a Spanish film then you can look forward to some Mediterranean cuisine to bring out the flavour of your cinema experience.
